Cocations Cocations Cocations iCloud Drive ESSB_I ▲ © Remote Di	<ul> <li>ESSecureBrowser</li> <li>Fabric</li> <li>FaceTime</li> <li>Firefox</li> <li>Font Book</li> </ul>	ESSecureBrowser Application - 178.4 MB	

You can now see that SecureBrowser is installed.

NOTE: Do not launch the browser on its own. On the day of your examination the Secure browser will launch automatically when you start your exam.

#### 2. Security and Privacy policy for MAC OS - OPTIONAL

Follow the steps below to unlock security and privacy policies to install Secure Browser

- 1. Click on the Apple menu on the top left corner.
- 2. Open System Preferences.

#### 3. Open Security & Privacy.

Gene	ral FileVault Firewa	all Privacy
A login password has bee	en set for this user Ch	nange Password
Require password	immediately ‡ afte	er sleep or screen saver begins
Show a message v	when the screen is locked	d Set Lock Message
🗌 Disable automatic	login	
Allow apps downloaded i	from:	
<ul> <li>Mac App Store</li> </ul>		
O Mac App Store an	d identified developers	
<ul> <li>Anywhere</li> </ul>		

4. Under General tab click on "Click the lock to make changes"
